

**CPRE/CYBSC-5360_FALL-2025
PROJECT-1**

Please follow the instructions to search for the target item with Encase.

Note: The procedure with screenshots and the file paths of the evidence are required when answering the questions. Zero points for the answer without the required description.

Disk images are located at: <https://iastate.box.com/s/pr0mnxa6qls3zcxh9mwyhfyl0rmmdvwt>

Project 1 (Please use 25Fall_Project1B.img)

1. (1 point) Who is James Cooper's supplier of marijuana?
2. (2 points) What is the address of the supplier?
3. (1 point) When was the email sent to the supplier?
4. (2 points) What is the full list of High Schools that James Cooper sells at?
5. (1 point) Can you find the cover of High Times magazine?
6. (1 point) Can you find the supplier's photo?
7. (2 point) Can you find out and show James Cooper's photo?

Hint:

- Find the password to unlock the suspicious file
- Try to think of any words that can be a “password”, e.g. key, secret...
- Pictures can be stored in any types of files or embedded in other files
- Use the file signature to search might make your search more efficient
